

## You Now Have Help With 401(k) Deferral Payroll Submission

We've got great news about a new service that can enhance your 401(k) plan!

The Loren D. Stark Company (LDSCO) can now take charge of submitting your 401(k) plan contributions to your investment company with no action required by you or your payroll company.

You'll save time and money by removing the hassle of data entry, file conversion and file submission each pay period.

LDSCO will facilitate each of these events so that you can enjoy the best of all worlds, including:

- ✓ Your payroll company remains the same;
- ✓ Your plan administration remains with LDSCO;
- ✓ Your 401k plan contributions will be seamlessly sent to your plan's investment company.

We are pleased to provide this enhancement to your plan administration and support services. You can save both time and money, and we look forward to working with you to get started.

Please contact your plan consultant to discuss this great service, and let us know if you have any immediate questions.
